Itinerary

Day 1 Port Blair - Havelock Island-Radhanagar Beach

On arrival at Veer Savarkar Airport by morning flight arriving before **1100hrs**, our travel executive would receive and escort you to Phoenix bay Jetty to board the luxury cruise to Havelock Island. After 2 hour journey in the Andaman Sea with the flying fishes and Dolphins (you may be lucky to sight some) reach Havelock islands. On arrival at Havelock Island, our representative will receive and escort you to your place of stay. After check-in and some rest. Our tour executive takes you to visit Asia's No.1 beach rated by Times magazine i.e. Radhanagar beach. Enjoy the waves and miles of coast line. This virgin white sand beach is best place for swimming as there are no rocks in the coast and the waves are not too high. Although Havelock is the most developed of the islands, it's still very low-key and simple - a world away from the busy life of mainland India and then return back to you your hotel.

Day 2 Havelock Island -Elephant Beach--Port Blair

Today morning after breakfast we will proceed to Elephant Beach. Embark on snorkeling trip, just 15-20 min by Boat, this beach offers snorkeler calm blue shallow waters and is the perfect spot for beginner snorkelers. The boat goes right up to the beach and it's so easy to slip on the gear and just start snorkeling. Spend the half day lying on the beach and relaxing. The beach is very scenic with fallen trees and white sand giving the photographer some interesting shots. The reef here starts very close to shore at a depth of about 1 meter. The large reef is mostly made up of hard coral and has plenty of marine life. Here we offer 10-15 minutes complimentary snorkeling just for you and your family. And then return back to your hotel and proceed for Port Blair, stay at Port Blair.

Day 3 Port Blair- Jolly Buoy - Cellular Jail

Today morning we will leave for Jolly Buoy. To reach Jolly buoy island people have to come to Wandoor beach. This is located in Mahatma Gandhi National Park. Wandoor beach is 30 Kms from Port Blair by road. This route is same for visiting Red Skin island also. Both Jolly buoy and Red skin are located at Mahatma Gandhi National park. The boats to Jolly buoy island leaves by 9.00am. Make sure to reach Wandoor beach before 9.00am. All the boats leave at the same time and come back together. Visitors can enjoy the underwater coral view through snorkeling, Scuba diving or from the glass bottom boat. In evening we will move to Cellular jail and enjoy the light and sound programme, back to your hotel and relax.

Day 4 Port Blair - Ross Island - North Bay Island

Today after breakfast we will proceed to Aberdeen jetty for boat to Ross Island. Ross Island, the erstwhile capital of Port Blair during the British regime is under the control of Indian Navy because of its strategic location. This island hosts the remains of the British era buildings, swimming pool etc. This island is an ideal destination for nature walk amidst sylvan surroundings with deer's, peacocks, exotic birds giving you company. From there we proceed to North Bay Island. North Bay is a coral island 20 mins by speed boat from Ross Island. The beaches with its fringing coral reef are the best for Scuba Diving & Sea Walking. The corals at North Bay are good and spread over a large area. The sea life here has been fascinating divers from quite long and continues to do so. This is a perfect getaway for the adventure seekers. There is nothing on the North Bay Island, corals & fish life can be explored only by Scuba/Sea Walk etc. and then return to your resort to retire for the day.
